

A black and white photograph of a tattoo artist in a studio. The artist, a man with a star tattoo on his cheek and a cap worn backward, is focused on tattooing a client's arm. The background shows studio equipment like a lamp and shelves with supplies.

KEYWORD LIST FOR TATTOO ARTISTS AND PIERCERS

Search volume is an estimate of how many searches for a term are made in a month

Keyword difficulty is an estimate between 0–100 of how difficult it is to rank on top of search results organically for the term in question.
